

Commercial Reverse Osmosis Drinking Water Purifier

Total solution / Cost Effective / Durable Quality / Reliable Workmanship

Reverse osmosis water purifier models:

- #CAS-CRO-150: 150 GPD commercial reverse osmosis water purifier.
- #CAS-CRO-200: 200 GPD commercial reverse osmosis water purifier.
- #CAS-CRO-300: 300 GPD commercial reverse osmosis water purifier.
- #CAS-CRO-400: 400 GPD commercial reverse osmosis water purifier.

Features of the reverse osmosis water purifier:

- All reverse osmosis components conform to FDA / ANSI / NSF standards.
- NSF42 certified filter cartridges / CE certified transfer adapter.
- Constant quality performance.
- Customised labelling / packaging.
- Quality components.

Specifications of the reverse osmosis water purifier:

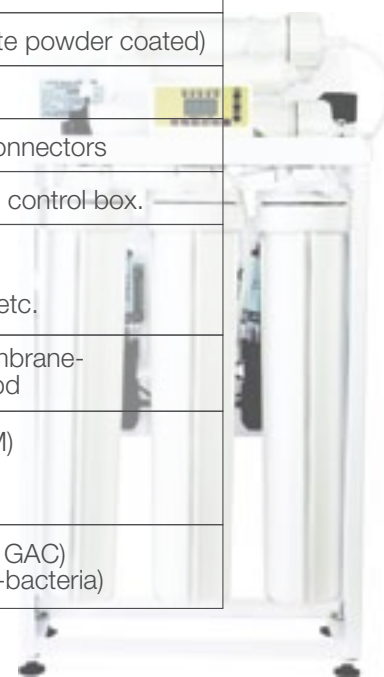

- Carton box: 47 cm x 30 cm x 85 cm.
- Standard parts with flow restrictor (x 2 or x 4), check valves (x 2 or x 4), high pressure switch, low pressure switch and dual transformer adapters. More specification details as per chart below.
- Accessories included: wrench, faucet hanger, ball valve, feeding valve, PE tubes, drain saddle valve.

#CRO-400

specifications		Standard	Optional
Storage tank		n/a	11G steel tank, or 100L, 200L steel tank.
Booster pump		150 gpd: 24VDC / 1.2 A x 2 pcs 200 gpd: 24VDC / 1.2A x 2 pcs 300 gpd: 36VDC / 2 A x 2 pcs 400 gpd: 36VDC / 2A x 2 purchase	n/a
Solenoid valve		Electric magnetic valve (auto-shut off)	n/a
Pre-filter housing		20" YT Slim line housings x 3 purchase, white-white-white	Blue colours.
Bracket		Stand shelf	Wall mount (white powder coated)
Faucet		Tap faucet	Ceramic faucet
Connectors		Jaco mode connectors	Push-in quick connectors
Flush mode		Manual	Auto-flush by IC control box.
Others parts		n/a	Pressure gauge, Flow meters, IC control box...etc.
Membrane		1812 Taiwan origin membrane - 75 gpd, 100 gpd or 200 gpd.	USA filmtec membrane- 75 gpd & 100 gpd
Filter cartridge scheme	Pre-filters	#PP-0520 (5uM) #CBC-20 (10uM) #PP-0120 (1uM)	#PP-1020 (10uM) #UDF-20C #GAC-20C
	Post in line cartridges	# t - C	# t - B (bamboo GAC) # t - SCBC (anti-bacteria)

P.S. Production specifications are subject to reconfirmation.
